Dedication

During our four years at Leicester High School, we have come to know a kind and beautiful person who has given of herself unselfishly to the teaching of students for over twenty years.

There has also been another person who has given our class tremendous leadership throughout two of our toughest years. Without him we would not have been able to accomplish as much as we did.

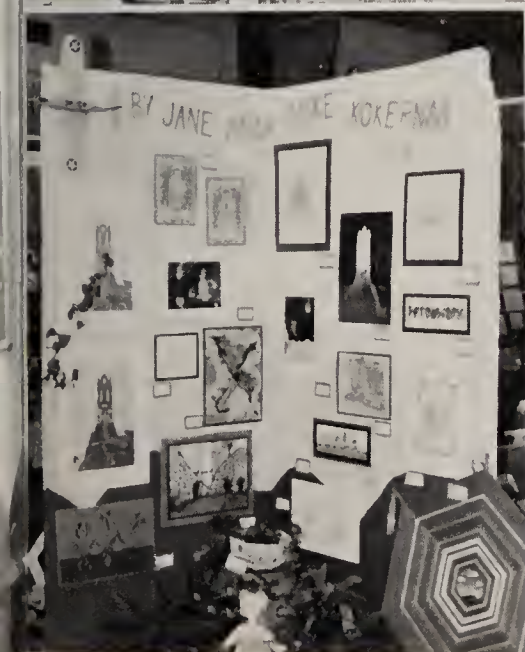

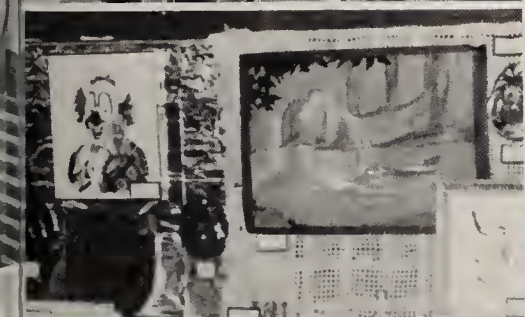

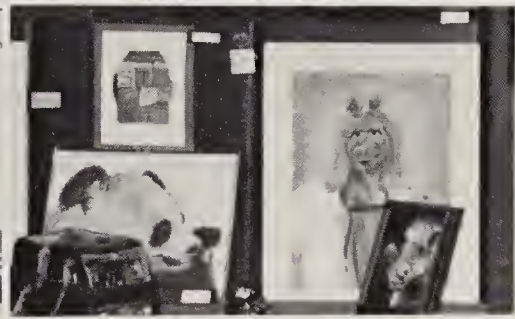

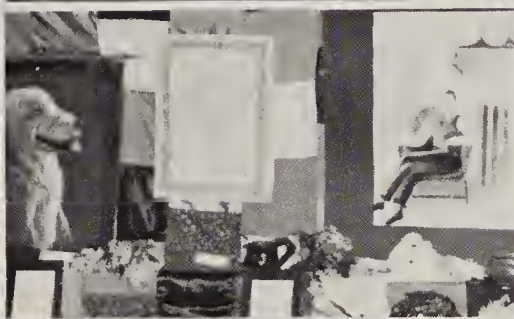

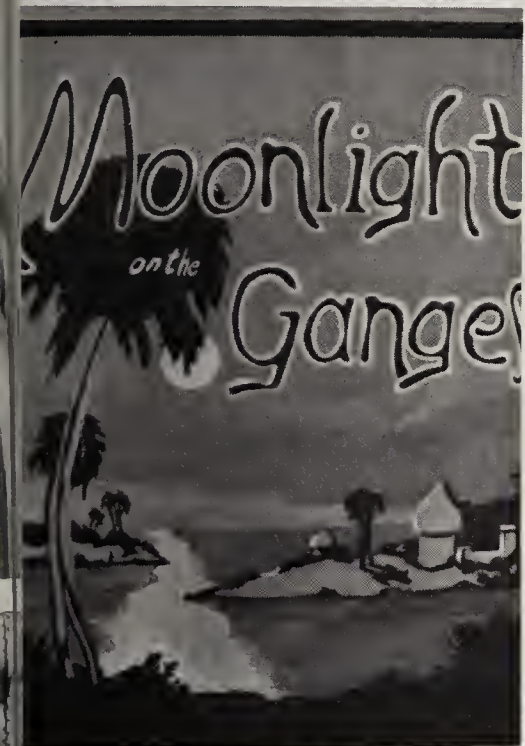

The class of 1982 is proud to dedicate its yearbook to two very special people — Mrs. Esther Avedian and Mr. Bryan Davis

1982 Senior Class History

When we first entered the hallowed halls of Leicester High School as humble, naive freshmen, little did we know of the adventures and terrors that awaited us in the years ahead. That September of 1978, we were initiated into the rites of high school life; studies in the Caf, rotating schedules, bathroom passwords, and activity periods, to name just a few.

Settling down to the more serious aspects of our first year, we elected our officers, Ginny Maher — President, Irene Vancellette — Vice President, Kelly McMenemy — Secretary, and Lisa Wetherbee — Treasurer. With our leaders firmly established, we launched an illustrious fund-raising campaign. We pushed posters and paid dues with zealous fervour — for some reason or other, however, the treasury remained empty.

In sports that year the victorious teams were invariably female; the girls Varsity basketball team, the Terrible Towel, was undefeated with a record of 21-0, and the Softball team was Division Champion. Fortunately for the guys, the football team rescued masculine pride by finishing their season with a Thanksgiving Day victory over David Prouty. Perhaps the most memorable events of our Freshmen year were the two infamous science field trips.

In the Fall of 1978, two busloads of rowdy freshmen travelled to Mt. Monadnock, ready to brave the grueling climb to the summit. Ambition, however, was soon replaced by tedium, and several stragglers were still climbing as the rest of the group descended. Nevertheless, the day was deemed a success.

In the Spring of 1979, Mr. Lindsey's Earth

Science classes set off for a week-end of "sun and fun" at the Cape. Despite continued downpours that threatened to annihilate their flimsy shelters, the dauntless group managed to have a good time and even learn something — all this to the tune of "We're All Sleeping In A Wet Tent Tonight." The rest of the year passed uneventfully as we watched the Class of '79 graduate, and looked forward to our Sophomore year.

The school year of 1979-80 will go down in LHS history as the year of the bomb scare. When the dust finally settled after all the excitement, we found that we had elected, Irene Vancellette — President, Sharon Tolman — Vice President, Kelly McMenemy — Secretary, and Cindy Flagg — Treasurer. Realizing that our virtually empty treasury spelled disaster, our officers planned a car wash. Unfortunately, the scheme collapsed when no-one showed up to work and both stations had to be shut down — our financial efforts declined from there. Oh yes, there was one major fund-raising effort, the jewelry sale. Anyone still owing money please see Mr. Davis in Rm. 8.

The sports scene that year was pretty bleak with only the girls softball and basketball teams finishing up their seasons with successful records. In the Spring of 1980, the hostages were taken captive in Teheran, and LHS experienced her very own Iranian bomb scare — a phone call that will live in infamy. We finished off the year in "high style" with our Sophomore class trip to Rocky Point Park, a great time for all. (Why does she have to sit on the bus? Tsk, Tsk).

Ah, finally, our Junior year, upperclassmen at last, lunch line rights and tray duty for under-

classmen!! A new hallway and no more gymnastics in Phys. Ed.

That fall, Ronald Reagan was elected President of the United States and we elected Irene Vancellette — President, Sharon Tolman — Vice President, Kelly McMenemy — Secretary, and Chris Anderson — Treasurer. With visions of the Junior Prom waltzing through our minds, we set to work on our empty treasury. Welcoming Mr. Davis as our new advisor, we set up a dance marathon, a concert, carnation sales, and, of course, car washes. Once again, the sports scene was saved by the winning records of the girls basketball and softball teams. The football team achieved a respectable 5-5 season, but for the second year in a row the Thanksgiving Day results were dismal. Winning isn't everything, however and the effort and commitment that these players displayed was phenomenal.

After a bleak and uneventful winter, the arrival of Spring and warm weather reminded us all of the fast approaching Prom. Finally, the long awaited day arrived. Dressed in tuxedos and evening gowns and looking far more respectable than anyone believed was possible, we arrived at Holden Hills Country Club. Joshua Tree played excellent evening of music, and helped to pick our Queen and court. Debbie Daigle was the 1981 Junior Prom Queen and the members of her court were Susan Norberg, Kathy Lucke, Cindy Flagg, and Lisa Moberg. Great times at Shorty's and Sandy's afterwards helped to make it an evening we will never forget, and the beach and Chris's camp the next day (with free food provided by Cumberland Farms) made it even better. By the time all the excitement had died down, we realized that it was time for us to watch for the last time, another class graduate — next year it would be our turn.

At long last, our dreams had been realized! Upperclassmen to all! Our Senior year! That September of 1981, we entered the halls of LHS knowing that it would be our last first day of school in this building — our home away from home for four long years. We elected Irene Vancellette — President, Jeff Snay — Vice President, Kelly McMenemy — Secretary and Chris Anderson — Treasurer. It just isn't possible to remember, describe, and list all the emotions, memories, and situations that have effected us during this past year. Each of us holds in his or her heart those memories that have made our

Senior year so unforgettable . . . Candy Sales, the Senior Class Play, the large group of people who went on the Senior Class Trip, weddings, illegal sodas, "the List," whale watching, Quabbin days, etc. Now with only two more events left, the Senior Dinner Dance at the El Morroco and graduation, we want ot take this time to look back and remember the more memorable events of our four years together.

So sit back, relax, and enjoy . . .

Do you remember:
